Options:

- ◇ 46 or 50mm Timber
- ◇ 50 or 63mm Composite
- ◇ 25mm Aluminium Slats
- ◇ Eco Friendly Timbers
- ◇ Moisture Resistant Composites

Available in many varieties, Blades & Shades Venetian range is what you're looking for. Aluminium, Timber or Composite Blade options.

If the timber look is what you're after for your home or office, look no further than our timber venetians, with a range of Western Red Cedar, Basswood or Composite Blade materials and wide variety of colours to choose from.

This style of window covering allows you to have complete control over the sunlight that enters, and gives you total privacy when closed. Venetians are perfect for any room.
