

roman blinds

Creators of Fine Quality Window Furnishings

www.bladesandshades.com.au

With a vast range of European influenced to local and traditional designed fabrics, Blades & Shades is sure to have a fabric for any style of décor. Suitable for most Sunscreen, Light filtering and complete block-out fabrics, these blinds will create the perfect look for your home.

Adding timber battens on a roman blind creates a touch of elegance and gives a modern feel to any room. Alternatively a concealed rear batten will give that more traditional look. There is a large choice of batten colours to complement your fabric.

Raise or lower your roman blind at the push of a button with the addition of simple and affordable motorization.

Options:

- ◇ Timber Battens
- ◇ Concealed Battens
- ◇ Chain Operation
- ◇ Pelmets
- ◇ Motorisation
